Class times	2:45 pm - 3:45 pm (duration: 1 hour)
Meeting Room	outside lunch tables (inside in inclement weather)
Class Fee	\$153 (includes materials), batteries NOT included
Class size	Limited Space (vendors discretion to cancel if minimum not met)
<p>Everyone remembers woodshop! Students use a variety of tools. They learn • safety techniques • design • assembly • spatial perception • concentration • small motor skills • to follow directions • to think for themselves. Participants feel a sense of accomplishment and pride as they craft their project and watch it develop into something recognizable. During the process they are both learning and having fun. We teach basic woodshop skills with a focus on safety. The knowledge gained in this course will be useful to them throughout their lives.</p>
